Prior to Racing:

The Stewards noted that the results from the routine test of **CUEROS**, trained by Alyson Malzard came back negative. The trainer was duly informed.

The Stewards walked the course and noted that the going was Firm and continuing to dry in the warm weather. Consideration was given to reducing or eliminating the hurdles in order to mitigate any risk of jarring injury, in consultation with John Hamilton, Head of Equine Welfare for CIHA.

Having spoken to the 3 relevant jockeys, the Stewards consulted with the 2 relevant trainers, Alyson Malzard and Kark Kukk. Alyson Malzard conferred with her Owners and withdrew No 4 DIPLOMATIE on the basis of unsuitable ground. Both trainers were content to continue with the planned hurdles layout in race 1, and the 3 relevant jockeys were in consensus.
